Then scroll down until you see the following

The screenshot shows the 'Register' page of the National Eisteddfod Academy NPC. At the top, there are navigation links for 'Speech and Drama Workshop 2018', 'Competition Events', and 'Eisteddfod 2018'. A dark green button on the right says 'Register / Log in' with a sub-link 'Click on Register/Log in and SCROLL DOWN'. The main heading is 'Register'. Below this, there are three bullet points explaining the benefits of online registration. A paragraph states that registration is free and provides access to the 2018 Prospectus and the ONLINE entry platform. Another paragraph notes that any school, studio, organization, parent, or participant may register online. The page features three main columns: 1) A login section with the National Eisteddfod of South Africa logo and a button 'Log in with your user and pass codes*'. Below it is a link 'Lost your login details? Send an email'. 2) A 'NEW!' splash graphic with a button 'Create a new account' and text 'Register a new account ONLINE free of charge'. 3) A section for 'National Eisteddfod of South Africa 2018' with a photo of a performer and text describing the platform as a choice for young performers, offering a comprehensive prospectus for various art forms.
